KCA UNIVERSITY

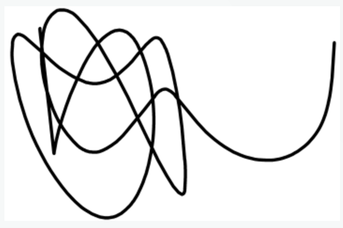

~1989~

POLICY STATEMENT

KCA University is committed to providing quality education, training and outreach services through excellence in teaching, research, innovation and extension services. The University commits to meeting applicable statutory, regulatory and relevant stakeholder requirements while continually improving its processes, services and outcomes in conformity with ISO 21001:2018.

In fulfilling this commitment, the University, guided by its core values of professionalism, integrity, equity, creativity,community and excellence, shall systematically monitor, review and continually improve its programmes and services, promote creativity and innovation, protect and manage intellectual property while safeguarding its reputation.

The University shall ensure this Quality Policy and its objectives shall be reviewed every three years or as necessity may arise to ensure their continued suitability and effectiveness, taking into consideration emerging educational, scientific and technological developments, as well as the needs and expectations of relevant stakeholders.

Prof. Isaiah I.C. Wakindiki, Ph.D. EBS.

Vice Chancellor & CEO - KCA University
